OFFICE OF THE SECRETARY OF THE UNIVERSITY
AND OF THE BOARD OF REGENTS

EXCERPTS FROM THE MINUTES OF THE 188TH MEETING OF THE BOARD OF REGENTS HELD AT SEAMEO-INNOTECH, COMMONWEALTH AVENUE, DILIMAN, QUEZON CITY ON OCTOBER 17, 2003

x-x-x x-x-x x-x-x

"RESOLUTION NO. 169, S. 2003

RESOLVED, That upon the recommendation of the President of the University and the Executive Committee of the Board of Regents, the proposed adjustment of Grants-in-Aids and Other Forms of Institute Scholarships and Financial Incentives as contained in the Brief of the Vice Chancellor for Academic Affairs to the Chancellor of MSU-Iligan Institute of Technology, which is attached here and marked as Annexes "K" to "K-8" and made an integral part of this resolution, is hereby approved.

APPROVED."

Proposal: Adjustments of Rates of Grants-in-Aid / Scholarship Privileges

Proponent: Ad Hoc Committee To Review Comprehensively All Adjustments of Rates Of Grant-in-Aid / Scholarship Privileges

Over-all Rationale and Objective

It has been observed that in the last ten (10) years, the buying power of the peso has considerably declined. However, the Grants-In-Aid scheme for the School of Engineering Technology and other scholarship grants for the other colleges, though not designed to fully support the scholar, have not been quite responsive to this change. Take for example PhP 800, the current maximum monthly stipend of SET grantee, is not adequate for a student's monthly food consumption. For this reason, it is proposed to increase the amount of monthly stipend for full grantees.

However, in the light of decreasing MOOE fund from the national government, there is a need to trim down the total grantees, and thus the total expenditure for scholarship, to ensure sustainability. This could be achieved by either or both of the following: a) raising the GPA requirement and thus eliminating the lowest bracket; or b) decreasing the programs of studies that would be covered for scholarship grants. The first procedure not only trims down the number of slots, it also ensures that scholarship are awarded to the deserving students – ones with above average performance.

Definitions

The following are terms that are applicable to types of scholarship in this proposal.

1. Full Grantee is a student who will receive monthly stipend (grants-in-aid), free tuition fees, free laboratory fees and other fees **except** computer fee, student publication fee, student government fee and insurance fee.

2. Partial Grantee is a student who will not receive monthly stipend but will enjoy free tuition fees, free laboratory fees and other fees **except** computer fee, student publication fee, student government fee and insurance fee.

3. Cut-off score, as used for the SET Grants-in-Aid program, refers to the minimum required SASE score for a SET Freshman to be a Full grantee. This cut-off score,

UNOFFICIAL

MSU BOARD OF REGENTS
ANNEX K-2

which must be higher than the Institute minimum qualifying SASE score, is to be determined by SET and approved by campus Academic Planning Committee (APC).

1. SET Grants-in-Aid

(Revision to BOR Res. No. 120, S1990)

In this proposal, the GPA level for old students would have to be raised, accommodating only students who truly deserve to enjoy the scholarship. This change, in effect, eliminates the lowest bracket category, which covered students with GPA ranging from 2.75 to 2.501.

BOR Res. No. 120 S1990 sets the schedule in terms of SASE Percentile Ratings. However, the cut-off score for first year grantees is in terms of SASE General Rating as determined School of Engineering Technology and approved by the Campus Academic Planning Committee (APC). [For example, in AY 2001-02, the cut-off was set at 95, and in AY 2002-03, the cut-off was set at 100.] This requires converting the general ratings to percentile ratings, usually resulting to clustering of grantees at higher bracket, i.e. with higher stipends. This happens because a difference of 5 in general ratings would not translate to a difference of 5 in the percentile ratings. Thus, it is also proposed that stipend schedule should subscribe to a categorization in terms of SASE general ratings to determine the distribution of stipend to be awarded.

Further, the first year students also must work harder to get better GPA's just as the 2nd and 3rd students do. They too would be expected to spend the same amount for meals and lodging fees as that to be spent by the 2nd and 3rd students. Thus, it is further proposed that the "Old first year students" category in BOR Res. No. 120 S1990 be eliminated. The first year student grantees, after staying one semester in the institute, are then to be classified as "Old students" together with the 2nd and 3rd year students. They then would enjoy the same privileges.

A. For Old Students (1st yr on their 2nd sem, 2nd and 3rd year)

Present (BOR Res. No. 120 S1990)		Proposed	
GPA	Stipend (PhP)	GPA	Stipend (PhP)
1.000 – 1.25	800.00	1.000 – 1.250	1200.00
1.251 – 1.50	700.00	1.251 – 1.500	1000.00
1.501 – 1.75	600.00	1.501 – 1.750	800.00
1.751 – 2.00	500.00	1.751 – 2.000	700.00
2.001 – 2.25	380.00	2.001 – 2.250	600.00
2.251 – 2.50	340.00	2.251 – 2.500	500.00
2.501 – 2.75	300.00	--	--

UNOFFICIAL

MSU BOARD OF REGENTS
ANNEX "K-3"

The highest amount of stipend, PhP 1,200.00 is obtained as follows:

PhP 10.00 per meal x 3 meals per day x 30 days	= PhP 900.00
PhP 300.00 lodging fee	= PhP 300.00
	=======
	PhP 1,200.00

B. For Incoming 1st year students

Present (BOR Res No. 120 S1990)		The Proposed	
SASE (CAT) %tile Rating	Stipend (PhP)	SASE Gen. Rating	Stipend (PhP)
95 – 100	600.00	$(x_m - \Delta x + 1)$ to x_m	1000.00
90 – 94	560.00	$(x_m - 2\Delta x + 1)$ to $(x_m - \Delta x)$	850.00
85 – 89	520.00	$(x_m - 3\Delta x + 1)$ to $(x_m - 2\Delta x)$	725.00
80 – 84	485.00	$(x_m - 4\Delta x + 1)$ to $(x_m - 3\Delta x)$	625.00
75 – 79	450.00	$(x_m - 5\Delta x + 1)$ to $(x_m - 4\Delta x)$	550.00
70 – 74	400.00	$(x_m - 6\Delta x + 1)$ to $(x_m - 5\Delta x)$	500.00
65 – 69	375.00	---	---
60 – 64	350.00	---	---
55 – 59	325.00	---	---
50 – 54	300.00	---	---

where:

x_m = the highest SASE Gen rating of the batch of incoming first year students
$\Delta x = (x_m$ – the cut-off score$) \div 6$

in which Δx, $2\Delta x$, $3\Delta x$, $4\Delta x$ and $5\Delta x$ are to be approximated (rounded off) separately, if necessary, and $6\Delta x = x_m$ – the cut-off score. For example, if the highest SASE score is 152 and the cut-off score is set at 100, then,

$\Delta x = (152 - 100) \div 6 = 8.67 \approx 9$
$2\Delta x = 2(8.67) \approx 17$
$3\Delta x = 3(8.67) \approx 26$
$4\Delta x = 4(8.67) \approx 35$
$5\Delta x = 5(8.67) \approx 43$
$6\Delta x = 52$

and the schedule of stipend would be as follows:

UNOFFICIAL

MSU BOARD OF REGENTS
ANNEX K-4

SASE Gen. Rating	Stipend (PhP)
144 – 152	1,000.00
136 – 143	850.00
127 – 135	725.00
118 – 126	625.00
110 – 117	550.00
100 – 109	500.00

Who are SET Full grantees?

- Incoming freshmen students with SASE scores equal to or higher than cut-off score.
- Former Full grantees with GPA of 2.50 or better in the preceding semester.
- Former Partial grantees or paying students with GPA of 2.00 or better in the preceding semester.

Who are SET Partial grantees?

- Incoming freshmen students with SASE scores are below the cut-off score but higher than the Institute minimum qualifying SASE score, the range of which shall be determined by the SET and approved by campus APC.
- Former Full grantees with GPA in the preceding semester ranging from 2.75 to 2.501.
- Former Partial grantees with GPA ranging from 2.75 to 2.01.
- Paying students with GPA of 2.25 or better, but below 2.00, in the preceding semester.

Who are SET paying students

- An incoming freshman student with SASE score ranging from the lowest Institute entrance score to a score one less than that of the lowest in the range of scores of Partial grantees.
- Former SET Full and Partial grantees with GPA below 2.75.
- Former paying students with GPA below 2.25.

UNOFFICIAL

2. Honor Students (Dean's Listers)

(Revision to BOR Res. #38, S1990)

The honor students should belong to programs in Science and Mathematics identified in BOR Res. No. 38, S1990, to wit: all majors in the College of Engineering; Physics, Mathematics, Chemistry, Statistics and Marine Biology in the College of Science and Mathematics; Education program majoring in mathematics, physics, chemistry and biology in the College of Education; and, Psychology and English majors in the College of Arts and Social Sciences. In addition, honor students of the programs

MSU BOARD OF REGENTS
ANNEX K-5

of School of Computer Studies could also enjoy this scholarship program. However chemistry, statistics and marine biology majors in College Science and Mathematics; and chemistry and biology majors of education in the College of Education are considered as low priority.

Students in the above-mentioned programs with GPA ranging from 1.50 to 1.00 but without a failing grade for a regular load, as prescribed in their curriculum, in the preceding semester shall be considered as full grantee with the following schedule of monthly stipend:

GPA	Stipend (PhP)	
	1st and 2nd yr	3rd, 4th and 5th yr
1.25 – 1.00	1000.00	1,000.00
1.50 – 1.251	800.00	1,000.00

Students in the above-mentioned programs with GPA ranging from 1.75 to 1.501 but without a failing grade for a regular load, as prescribed in their curriculum, in the preceding semester shall be considered as Partial Grantees.

Other requirements as prescribed in BOR Res. No. 38, S1990 are to be observed, to wit: a) a grantee must not have earned a college degree; b) a grantee must be with good moral character; and, c) a grantee must have residency of not more than seven (7) semesters for 4-year course and nine (9) semesters for 5-year course.

Students in the above-mentioned programs with GPA of 1.25 or better and without a failing grade for a regular load, as prescribed in their curriculum, in the preceding semester shall be considered as Chancellor's Listers. They will not receive additional monetary award, but will be given certificates of distinction.

3. Integrated Special Scholarship Grantees
(IPAG, KALIMULAN, VARSITY, OCTAVA, Band, etc)
(Revision of BOR Res No. 26 and 230, S1993)

The number of members that may enjoy the scholarship grant should be limited to the minimum required strength of the team.

Who are to become Full grantees?

- Members with GPA of 2.75 or better for a regular academic load, as prescribed in the curriculum, in the preceding semester will be considered as full grantee with a monthly stipend of PhP 400.00.

UNOFFICIAL

MSU BOARD OF REGENTS
ANNEX "K-6"

- Members with GPA of 2.75 or better for an academic load in the preceding semester less than the prescribed load in the curriculum, but not less than 12 units, will be considered as full grantee with a monthly stipend of PhP 300.00 only.

Who are to become Partial grantees?

- Members with GPA less than 2.75 but with no failing grade for an academic load of at least 12 units in the preceding semester will be considered as Partial grantee.

Members should not be allowed to drop courses, or quit from the team, within the semester. Otherwise, privileges shall be automatically suspended. All other conditions or requirements as spelled out in BOR Res. Nos. 26 and 230, S1993 must still be observed.

4. SASE Top Twenty (20) Placers

No changes on conditions / requirements or quota, as specified in BOR Res. No. 35, S1993 is made.

5. Honor Graduates and Board Exam Topnotchers
(Revision to BOR Res. No. 53, S1991)

An award of PhP 5,000.00 be given to honor graduates, specifically Summa Cum Laude and Magna Cum Laude, for financial assistance to enable them to review and take respective licensure examinations; provided that said amount will be used primarily to cover board and lodging cost, transportation expenses, purchase or rent of review materials, tuition and examination fees.

Graduates belong to top ten (10) placers in their respective licensure examinations shall be awarded cash incentives, scheduled as follows:

1st placer	PhP 10,000.00	6th placer	5,000.00
2nd placer	9,000.00	7th placer	5,000.00
3rd placer	8,000.00	8th placer	5,000.00
4th placer	7,000.00	9th placer	5,000.00
5th placer	6,000.00	10th placer	5,000.00

Funding Requirement

On the average, 120 grantees of SET (40 students for each year level) with PhP 700.00 per month would require PhP 0.84 M for one year; and on the average, 50

UNOFFICIAL

NSU BOARD OF REGENTS
ANNEX "K-7"

Dean's Listers with stipend PhP 1,200.00 per month would require PhP 0.60 M. The two combine would require 1.44 M.

Funding for the scholarship grants may come from the following (Grants Subsidies and Contributions):

a)	Varsity	PhP*	113,250
b)	Band, Theatre, Arts & Choral		121,500
c)	College Scholar (Dean's List)		675,000
d)	Special Scholars		112,500
e)	Freshman Scholars		60,000
f)	Grants/Subsidies/Contributions (topnotch)		150,000
g)	SET		1,500,000
	Total		2,732,250

* Already 75% of the FY 2002 Budget

General Provision:

1. A student can enjoy only one government scholarship grant.

2. A student must execute a contract with the institute to finish the program he/she has started with the scholarship grant. Otherwise, he/she must refund the amount received except when the scholarship is cut for reason of not meeting the GPA requirement.

3. All Full and Partial grantees shall carry a regular load as prescribed in their respective curriculum.

4. In the event of lack of funding, the Chancellor has the authority to reduce the number of slots available by, in order of precedence, a) excluding the low priority programs for the Dean's Listers; b) eliminating the lowest brackets of full grantees, and, c) abolishing the type of scholarship grant.
