Proponent; Faculty of the History Department, College of Social Sciences and Humanities

Rationale

A. Description of the Courses HIS003	This course deals with a descriptive-analytical study of the history of the Muslims (Islamized natives or Bangsamoro) and the Lumads from the pre-Islamic period, Spanish colonial period, American occupation, Japanese invasion, Philippine republic, Martial Law down to the present. Particular emphasis on how they fought against the forces of foreign colonization and local domination which threaten their way of life and their very existence. Also, particular emphasis on the cataclysmic historical events that shaped the present conditions of the Muslims in the Philippines and their struggle for right to self-determination.
B. Expected Impact on Student	1. To present a fair and objective history of the Muslims and the Lumads in the Philippines which are not mentioned in the Manila-centered history books. 2. To understand the tenets and teachings of Islam. 3. To illustrate the reasons, causes and effect of the Spanish Moro War 4. To fully understand the rightful claim of the Muslims and the Lumads in the Philippines of their ancestral domain taken from them through a systematic and legal land grabbing. 5. To fully understand the just claim of the Muslims and the Lumads in the Philippines of their struggle for self-determination. 6. To present a comparative discussion and assessment on the different peace formulas initiated by the Philippine Government in its desire to solve the Mindanao problem
C. Evaluation and Output of the course	The course is a University/BOR mandated course. It is taken by the students both BS/BA and technology program. This subject is in

Panukalang Kurso

Petsa: Hunyo 29, 2023
Proponent: Mga Faculty ng Departamento ng Filipino at Iba Pang Wika, MSU System

Rationale

A. Description of the Courses Filipino 101 (Wika at Kultura sa Mapayapang Lipunan) Filipino 102 (Ekokritisismo at Pagpapahalaga sa Kalikasan)	Ang kursong ito ay inilalayong magamit ang wikang Filipino at ibang pangunahing wika sa Mindanao sa pag-aral ng mga kultura ng Rehiyong MINSUPALA tungo sa pagkakaisa at mapayapang lipunan. Ang kursong ito ay nag-aanalisa sa mga akdang pampanitikang gaya ng tula at awit na nauugnay sa kalikasan, kapaligiran at ekolohiya. Hangarin ng kurso ang mapahalagahan ang ganda ng kapaligiran, ng kalikasan at makapagmungkahi ng mga *ecofriendly* na proyekto para sa kapakinabangan ng pamilyan at komunidad.
B. Expected Impact on Students	Ang mga mag-aaral ay nakapagbabahagi ng kanilang karanasan sa kanilang mga kaklase upang mapanatili ang pakikipagkapwa-tao at naipagmamalaki ang nakasanayang kultura. Ito ay natatamo sa kursong Filipino 101. Ang mga mag-aaral ay nakapagsusuri ng mga krisis ukol sa ekolohiya sa pamamagitan ng ugnayan ng panitikan, kultura at kapaligirang pisikal. Ang kursong Filipino 102 ay isang kamalayan sa tunay na kalagayan ng ekolohiya sa kasalukuyang panahon, dahil dito ang isang mag-aaral ay dapat na makapag-ambag ng mayamang kaisipan para sa Inang Kalikasan.

Proponent: Faculty of the Department of Filipino and Other Languages, MSU System

Rationale

A. Description of the Courses Filipino 101 (Wika at Kultura sa Mapayapang Lipunan)	This course aims to use the Filipino language and other languages use in Mindanao in the study of the cultures of the MINSUPALA Region towards unity and a peaceful society.
Filipino 102 (Ekokritisismo at Pagpapahalaga sa Kalikasan)	This course analyzes literary works such as poetry and song related to nature, environment and ecology. The course aims to appreciate the beauty of the environment, nature and propose ecofriendly projects for the benefit of the school and community.
E. Expected Impact on Students	Students are able to share their experiences with their classmates to maintain social interaction and showcase their culture and native language. This is achieved in the Filipino 101 course. Students are able to analyze ecological crisis through the intersection of literature, culture and the physical environment. The Filipino 102 course develops an environmental and ecological awareness, because of this the student should be able to contribute rich thinking to help save mother earth.
