MEMORANDUM

TO: **All Concerned Responsibility Center Heads**
This University

SUBJECT: **Monitoring and Submission of Report on the Number of Transactions for Internal and External Services Availed of by the University's Clientele**

In cognizance of the Harmonized Client Satisfaction Measurement (CSM) and Anti-Red Tape Authority Memorandum Circulars 2022-005 and 2023-005, **all Responsibility Centers providing internal and external services must record all received, completed, and pending transactions**. This data will be included in the Client Satisfaction Measurement Report (CSMR) to be submitted by the University to the Anti-Red Tape Authority every last working day of April, as required by Section 4.7 of the circular.

Section 3.1.2.3 of ARTA MC No. 2019-002-A defines internal and external services as:

Internal Services- applied for or requested by citizens or clients who are ***within*** the respective government agency or office, such as, but not limited to, its personnel or employees, whether regular or contractual.

External Services- applied for or ***requested by external citizens or clients*** or those who ***do not form part*** or belong to the government agency or office providing the service.

Responsibility Centers are tasked with the monthly monitoring and reporting of the following data for every internal and external service availed of by clients:

- Number of internal and external services/transactions **availed/received;**
- Number of internal and external services/transactions **facilitated;**
- Number of internal and external services/transactions **completed;**
- Number of internal and external services/transactions **pending (backlogs) as of the reporting date.**

The recording of the number of transactions or services availed of by a client can be efficiently managed and done by establishing a tracking system using a spreadsheet or database software, or manual, using physical log books or printed forms. The record should include details such as but not limited to client name, service requested, date of request, and status of request. The records of transactions or services availed of by clients may be requested by Anti-Red Tape Authority (ARTA) personnel during field inspections and validation visits.

All Responsibility Center (RC) Heads **shall be accountable for submitting these reports** to the Office of Monitoring and Evaluation, Office of the Vice-Chancellor for Strategic Initiatives, **every first working day of the month.** The submission should follow the template attached to this memorandum.

Below is the indicative schedule of the submission of the said report:

Period Covered	Submission Schedule/Deadline
