MEMORANDUM

TO: **All Responsibility Center Heads**
All Financial Analysts and Assistants
This University

SUBJECT: **Deadline for Submission of Approved Project Procurement Management Plan (PPMP) for FY 2023**

All Responsibility Centers (RCs) are to submit their respective approved Project Procurement Management Plans (PPMPs) FY 2023 for GAA (Fund 01), Income (Fund 05), and Fiduciary (Fund 05) to the Procurement Management Division (PMD) on or before **October 14, 2022** for consolidation into the Annual Procurement Plan (APP). PPMPs submitted late will not be included in the APP.

PPMPs shall strictly conform to the following:

- PPMPs shall be generated by accessing the online form, saved in the system and printed;
- Use of proper account code for each item shall be observed;
- PPMP shall be based on the work plan of the RC's;
- The printed copy shall be processed through the Office of the Budget Management to ensure consistency with the RC's submitted financial plan, compliance with budget rules and regulations, appropriateness of funding charge/proper account, and approval by the concerned head of the cluster, prior to submission to the BAC Secretariat;
- Separate PPMPs shall be generated for each source of fund;
- Specifications for the procurement of goods shall be based on relevant characteristics and/or performance requirement; reference to brand names shall not be allowed;
- PPMPs for infrastructure projects, repairs, renovations, and consultations shall indicate the general description, scope, and parameters. However, the approved detailed program of works, engineering plans, and others shall be submitted the soonest time possible to the PMD;
- PPMPs must be judiciously and meticulously prepared considering that actual procurement or implementation shall be done in the succeeding fiscal year;
- Unforeseen contingencies shall have budget considerations;
- RCs with several departments should submit a consolidated PPMP. Breaking down of items shall be internal to the concerned RC;
- On-line submission (saving in the FMIS) shall not warrant the PPMP of the Responsibility Center to be included in the consolidated APP, unless the PPMP is also printed and approved by the concerned head of cluster and submitted to PMD;
- In compliance with the requirement of the COA, all PPMPs (non-generic) shall be attached with approved purchase or job order request and Approved Budget of the Contract (ABC), except for the Office Supplies and Other Supplies and Materials Expenses. The form for the ABC is available at the "Faculty and Staff Downloads" in our website; and
- The account codes shall not be in generic form, otherwise the PPMP shall not be accepted by the PMD, unless a justification letter signed by the RC Head is attached. Below are the proper account codes and their description:
